Dy.No.2189

Please see para 1 ante and S.N.1, 4 and 6 of F.1461 of 1937.

The reasons adduced by the District Judge in urging the creation of the post of a clerk on Rs.55-70 were:

(1) There was no clerk to assist the District Judge in his work as Registrar of Assurances, Registrar of Births and Deaths and Commissioner for Workmen's Compensation.

(2) The number of joint stock companies and Insurance Societies doing business in the C. and M. Station was increasing.

(3) The amendments to the Indian Companies Act increased the volume of work and greatly added to the responsibilities of the Registrar of Joint Stock Companies and Provident Insurance Societies.

(4) The unsatisfactory state of affairs ~~disclosed in regard to~~ of the Bangalore Bank and the Donation Union Link on Railways.

(5) On account of the fact that there was no clerk who could attend promptly to the important and responsible work connected with the custody of wills, their registration, etc. the public were experiencing considerable inconvenience.

4 S.N.1 (5) P.W.C.

The District Judge strongly recommends the continuance of the post for another year from the 1st April 1939. He reports that the creation of the post has tended to the efficiency of work in his office. The grounds adduced by him for suggesting the creation of the post still stand and he has added a fresh one viz. the liquidation proceedings of the Bangalore Bank and the two branches in the Station of the T.N.Q. Bank. It may also be added that the Insurance Act,1938, will come into

operation

3

operation in British India in 1939 and in case it is applied to the Station it will add to the work of the District Judge's office. Under the new Act the working of Insurance Companies requires closer scrutiny than what is provied under the Insurance Acts now in force in the Station .

5

(L)

A reference is however invited in this connection to paras. 8 - 13 of notes in R.Dis. file 661/38. It does not appear that there has been any appreciable increase in receipts; but in view of the increase in work and other reasons urged by the District Judge, it seems that there is sufficient justification for the continuance of the post.

6

Under the recent orders, the proposal requires the sanction of the Political Department. For orders whether they may be addressed.

7

In the second and third sentences of para 2 of his letter the District Judge says that he has considered whether the work dealt with by the clerk appointed to the temporary post could be transferred to some one else in addition to his own work but that he finds that this cannot be done <u>particularly because</u> short leave vacancies in the District Court are not filled up according to instructions recently issued by the Secretary to His Excellency the Crown Represent ative. The recent orders of the Political Department

do

do not bar filling up of leave vacancies where necessary. This may be pointed out to the District Judge and he may be required to consider whether in the light of this the retention of the temporary post is necessary.

In Political Department's telegram No. 136 E, dated the 31st March 1939, sanction was accorded to the continuance of a temporary post of a clerk on Rs.55-5/2-70 for one year from 1st April 1939 for the office of the District Judge, etc. The District Judge requests sanction for the continuance of the post for another year for the following reasons:-

(1) The various considerations referred to in his letter of 28th February 1939 still hold good;

(2) In addition to liquadition proceedings of Travancore National and Quilon Bank and the Bangalore Bank fresh applications are pending for the winding up of the City Bank and the Planters Produce Marketing Co;

(3) There will be considerable work connected with the Donation Union Link on Railways; and

(4) Additional work on the application of the new Insurance Act to the Station.

16

It will be seen from para 1 of notes ante, the District Judge in fact wished to make the post permanent; but that was not possible, and an extension for a year was recommended to the Political Department for the reasons contained in S.N.4 and paras 2 to 11 of notes ante. All those considerations continue to exist. ~~It appears~~ Further it appears that considerable work of a technical and clerical nature will devolve upon the District Court on account of the increasing liquidation proceedings. Volume of work in the Companies Office also appears to have increased due to the unsatisfactory affairs of ~~the~~ certain companies in the Station, particularly of the Donation Union Link on Railways and the Amendments to Companies Act, and when the new Insurance Act is put into force in the Station some more work will be added. In this

connection it may be mentioned that the District Judge has been asked to try the civil suit of the Donation Union Link on Railways, which may impose additional work on his staff. For these reasons there seems to be sufficient justification for the continuance of the post, at any rate for another year.

17 Necessary provision will be included in the Bangalore budget for 1940-41 under Part II - Fresh Charges. The instructions issued by the Political Department regarding filling up of permanent and tempo rary vacancies will be in operation only till the 1st April 1940, and as the proposal relates to the continuance of the post during 1940-41, sanction of to the propos the Crown Representative does not seem to be necessary Orders of the Crown Reprsentative are however necessar to include the provision under Fresh Charges. If approved Political Department may be addressed.

12.9.39

18 In view of the present situation, the instructions of the Political Department regarding filling up of vacancies may very likely be Continued even after 1st April 1940. It is preferable therefore to ask for sanction of the Crown Representative to the Continuance of the post. I have amended the draft.

The Secretary to the Hon'ble the Resident
in Mysore, BANGALORE.

SIR,

S.N.6 / C.P.14 (Y)

I have the honour to invite a reference to proceedings of the Hon'ble the Resident in Mysore No.F.1461-37(1)/R.O.II, dated the 18th March 1938 sanctioning the creation of a post of a temporary clerk on Rs.55-5/2-70 per mensem in the office of the District and Sessions Judge, Registrar of Assurances, Registrar of Births and Deaths and Commissioner for Workmen's Compensation, Civil and Military Station, Bangalore, for a period of one year with effect from 1st April 1938. The post will terminate on 31st March 1939. The creation of this post has helped me in disposing off the work connected with the offices of the Registrar of Assurances, Registrar of Births and Deaths, Commissioner for Workmen's Compensation and Registrar of Joint Stock Companies. (The work in the office of the Registrar of Joint Stock Companies is increasing day by day and the assistance of the clerk has been very useful.) The delay and the consequential inconvenience to the Public in the matter of the deposit of Wills and the return of the same has now, on account of the creation of the new post, been obviated. There is no permanent clerk attached to the offices of the Registrar of Assurances, Registrar of Births and Deaths and Commissioner for Workmen's Compensation. The creation of the temporary post of a clerk to attend to the clerical work in the above departments since 1-4-1938 has tended to the efficiency of

(2

the work in them. I may also add for the information of the Hon'ble the Resident that the liquidation proceedings of two big banks, namely, the Bangalore Bank Ltd., and the Travancore National and Quilon Bank Ltd., are going on in my court and may take about 2 or 3 years more before they come to a close. These liquidation proceedings involve a considerable amount of judicial and clerical work, correspondence with the liquidators and a close scrutiny of their work. The services of the temporary clerk will also be utilised for the clerical work involved in these liquidation proceed-ings as it will not be possible for the Bench Clerk of the District Court to attend to this work in addition to his normal current work in Court. In the interests of proper disposal of work, I consider that the post should be continued. I therefore request that the Hon'ble the Resident may be pleased to sanction the continuance of the post for a period of another year from 1st April 1939.

2. In this connection I may add that I am fully aware of the necessity for the strictest economy in expenditure, but, I think that economy should not be practised to the detriment of efficient work. I have given my most careful consideration to see whether the work dealt with by the clerk appointed to this post could be transferred to some one else in addition to his own work. But I find that this cannot be done particularly because short leave vacancies in the District Court are not filled up according to the instructions recently issued by the Secretary to His Excellency the Crown Representative. Further, the work of this additional clerk is of a technical character dealing with Special Acts and cannot be attended to satisfactorily by the other clerks in Court. In view of these considerations I have found it necessary to make this proposal, and I request that it may be kindly sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,

As I was satisfied of the necessity for a clerk in the above offices for work connected with Assurances, registration of companies, registration of births and deaths and the administration of the Workmens ~~Men's~~ Compensation Act, I sanctioned the post of a temporary clerk in the scale of Rs.55-5/2-70 for one year with effect fron the 1st April 1938. 2. The number of joint stock companies and insurance socidties doing business in the C. and M. Station of Bangalore is increasing and the amendments to the Indian Companies Act, 1913, have added to the work and responsibilities of the Registrar of Joint Stock Companies. In view of the unsatisfactory state of affairs disclosed in the case of the Donation Union Link on Railways, it is highly desirable that the working of joint stock
